

LINDA D. GARVIN

Director of Real Estate U.S. Army Corps of Engineers

Linda D. Garvin became the Director of Real Estate of the U.S. Army Corps of Engineers on October 12, 1999. She is responsible for the management and oversight of real estate mission execution involving over 1,300 personnel at over 40 locations nationwide. The real estate community is responsible for oversight of 24 million acres of Army controlled land and improvements including 2,000 military installations worldwide and more than 2,100 water resource projects and 9,900 lease holdings with expenditures over \$500 million annually.

Ms. Garvin also oversees more than 49,000 outgrants of Army and Air Force controlled real property which includes leases on both military and civil works lands; the \$100 million DOD Recruiting Leasing Program, providing space and services to Army, Navy, Air Force and Marine recruiters at over 2,000 locations across the United States; and the annual \$150 million Homeowners Assistance Program.

Born in Arlington, Virginia, Ms. Garvin holds a Bachelors Degree in Business Administration. She is a 1997 graduate of the Federal Executive Institute, Charlottesville, Virginia.

Prior to her selection as Director of Real Estate, Ms. Garvin was Chief of the Real Estate and Facilities Engineering and Services Division, Defense Information Systems Agency. In that capacity, Ms. Garvin was responsible for Agency-wide real estate, facilities engineering, design and construction, real property maintenance, and installation support. Ms. Garvin provided management and oversight to over 94 sites worldwide totaling approximately 5 million square feet. Ms. Garvin was also responsible for a new GSA lease to design/build office and research and development space totaling 335,000 square feet for approximately 2,000 personnel. Ms. Garvin also held leadership and management positions with the Departments of Navy and Energy.

Ms. Garvin's awards include the 1998 Defense Information Systems Agency EEO Supervisor of the Year; the Defense Information Systems Agency Director's Special Act Award, two Exceptional Civilian Service Awards, Meritorious Civilian Service Award.
